ACKNOWLEDGEMENT

We would like to express our special thanks of gratitude to our Project Guide, **Shri. M. P. Mathad**, for their able guidance and support in completing our project, "Web Application for Repository Services." We would also like to extend our gratitude to **Dr. Sweta Metha**, I/c Director, and the Department of Computer Application for providing us with all the facilities that were required.

We are also grateful to the faculty members and the non-teaching staff of CIMDR, Sangli, for their valuable support and encouragement throughout the course of this project. Their insights and suggestions were of great help in the successful completion of this work. Lastly, we thank our families and friends for their constant support and encouragement.
